LUNDI MATIN Announces the Acquisition of Dispeo and Strengthens Its 360° Offering by Integrating a Logistics Component

Montpellier, February 24, 2025

The LUNDI MATIN Group, specialized in omnichannel management software and innovative solutions for businesses, announces the acquisition of Dispeo, a specialist in e-commerce, retail, and non-commercial logistics based in Beauvais.

With this strategic acquisition, LUNDI MATIN becomes one of the few French players offering a complete solution ranging from omnichannel sales (e-commerce, physical stores, marketplaces) to inventory management and order fulfillment.

By integrating Dispeo's logistics expertise, LUNDI MATIN now offers its clients optimized management of the entire commercial journey, from the first customer contact to final delivery.

A Unique 360° Offering on the Market.

LUNDI MATIN thus strengthens its position as a global technological partner for retailers and e-merchants. With this new synergy, companies can now benefit from:

- An integrated solution combining e-commerce and marketplace software, POS software, inventory management software, and logistics.
- A high-performance warehouse and logistics infrastructure capable of handling large volumes while ensuring speed and reliability.
- Omnichannel expertise that smooths the customer experience and optimizes the entire sales cycle.

A Strong Commitment to Local Employment

Beyond the technological and commercial stakes, this acquisition also reflects LUNDI MATIN's commitment to maintaining employment in the Beauvais region. Almost all jobs at Dispeo are preserved, ensuring continuity of activities and the sustainability of the local employment basin.

"By integrating Dispeo, we are taking a new step in our ambition to offer a complete solution to players in Retail and e-commerce. We are also proud to contribute to maintaining recognized logistics expertise while ensuring the stability of the company's employment." – says Benjamin Chalande, CEO of LUNDI MATIN.

Thanks to this acquisition, LUNDI MATIN continues its growth and strengthens its position as a key player in the Retail and e-commerce sector.

About LUNDI MATIN

A market leader, LUNDI MATIN is a company specialized in omnichannel management software and innovative solutions for businesses.

It offers a complete suite of solutions adapted to the needs of physical and online stores, including POS software, ERP commercial management software, tools for creating e-commerce sites and marketplaces, as well as logistics services. LUNDI MATIN also develops robotic solutions to optimize process automation and improve supply chain performance.

LUNDI MATIN's goal is to support companies in their digital transformation by facilitating management, sales, and logistics for a smooth and efficient customer experience.

About Dispeo

A logistics partner for brands, Dispeo offers tailored and agile logistics services to enhance the customer experience and brand transformation:

- E-commerce and retail logistics
- Network animation logistics
- Transport and delivery services

Certified ISO 50001 and awarded the EcoVadis Gold Medal, the company is strongly committed to reducing environmental impact and corporate social responsibility (CSR).
